Sir:

This paper accompanies a Request for Continued Examination filed on December 12, 2000. Along with this paper, a Petition for Extension of Time is filed to extend the response due date to the Office Action mailed June 15, 2000 three months from September 15, 2000 to December 15, 2000.

The Office Action asserts that two references, i.e. Hannula et al., Eur. J. Drug Metab. Pharmacokinetics 1991, Special Issue III, pp. 221-227; and British Pharmacopoeia 1993, pages 601, 603 and 604, cited in the IDS filed on March 9, 2000 did not conform with the requirement of specifying publication dates. However, the Hannula reference and the British Pharmacopoeia reference were listed in the IDS as published in 1991 and 1993, respectively. Since the publication dates of these two references were already disclosed in the IDS filed on March 9, 2000, applicant informed the Examiner of this fact via the telephone on October 30, 2000. The Examiner promised in the telephone interview that she would consider these two references. Applicant now officially requests that the two references be considered and that the Examiner place her initials adjacent to the

appropriate citations in the IDS.

In the event that this paper or the Request for Continued Examiner is not deemed timely filed, applicant hereby petitions for an appropriate extension of time. Should any fees be due with respect to this paper, please charge Counsel's Deposit Account No. 01-2300.

Respectfully submitted,
ARENT FOX KINTNER PLOTKIN & KAHN, PLLC
